FAMILY MINISTRY

CHILDREN'S MINISTRY

In June's issue of Eden Connect, we invite you to learn more about Eden's Family and Children's Ministries. The family is a precious gift from God and the foundation where faith is nurtured and passed on. A Christ-centred home, grounded in love and truth, helps children grow in the gospel and learn to love God and others.

Through Sunday School, we seek to partner with parents to teach children the gospel and help them know Christ, so that their faith may take root from a young age. As you read this month's ministry highlights, please continue to uphold these ministries in prayer. May the Lord strengthen our families, establish the next generation, and enable the faith to be passed on faithfully for generations to come.

In today's rapidly changing world, marriages and families face many challenges and need care, support, and encouragement more than ever. The Family Ministry seeks to walk alongside families at different stages of life, equipping them through Christ-centred and Bible-based teaching so that they may grow in love and truth, build healthy relationships, nurture the next generation, and bear witness to the grace of the gospel together.

In April 2026, we conducted the parenting course *Growing Kids God's Way*. Grounded in biblical truth, the course explored topics such as cultivating godly character in children, the father's role in the family, biblical discipline, and the lessons of repentance, forgiveness, and reconciliation. Through sharing, learning, and fellowship, we pray that parents will be equipped to build Christ-centred, healthy, and grace-filled homes.

FAMILY MINISTRY

In May 2026, we organised a Marriage Mentoring Training Workshop, which explored how to build healthy and lasting mentoring relationships, as well as common challenges and conflicts faced in marriage. Through training and fellowship, we hope to encourage more middle-aged couples to serve as marriage mentors and walk alongside other families as they grow in the Lord.

Upcoming Family Ministry Events:

- June–July | Pre-Marital Counselling Course
- 13 September | Family Seminar: "Husband, You Matter!" and "Mum, You Matter!"
Speaker: Rev Dr. James Lee

We warmly invite all to participate in Family Ministry activities as we learn, grow, and journey together. As the ministry is still in its early stages, we welcome your participation and feedback. If you feel led to serve in this area, please contact Preacher Li Fang.

We also invite you to uphold the Family Ministry in prayer, asking the Lord to grant wisdom and strength so that families may be blessed, the church strengthened, and the faith faithfully passed on to future generations.

CHILDREN'S MINISTRY

Since the founding of Eden BP in 1999, the Children's Sunday School has grown alongside the church, faithfully carrying out its mission of nurturing the next generation to know the Lord and grow in their spiritual lives. To better meet the needs of children at different stages of development, the church introduced a new Nursery Class for children aged one to two in 2024.

Today, the Sunday School comprises six classes, each tailored to a specific age group so that children can learn God's Word in an environment suited to their stage of growth. Every Sunday from 8.00am to 9.30am, the children gather to sing hymns, memorise Scripture, and learn Bible lessons. Through these activities, they come to know the gospel, learn God's truth, and build a firm foundation of faith from a young age.

CHILDREN'S MINISTRY

In addition to weekly Sunday School, the Children's Ministry also organises the annual Bible Class, Family Fellowship and Award Ceremony, and day trips, creating more opportunities for children to build relationships and grow together. Through games, activities, and interactive learning, the Bible Class helps children form friendships, enjoy fellowship, and more importantly understand the truth of the gospel and be rooted in God's Word from a young age. In joyful learning, they are taught to love God and love others, and to care for one another in community.

The annual Family Fellowship and Award Ceremony is a time for teachers, parents, and children to gather in gratitude and reflect on the children's growth in faith and learning. It is not only a time of celebration and encouragement, but also a chance to inspire continued engagement with God's Word and to strengthen partnership between parents and Sunday School in nurturing the children's spiritual growth at home.

CHILDREN'S MINISTRY

In March 2026, Bishan and Geylang Sunday Schools each organised a day trip for the children, giving them opportunities to build friendships and enjoy fellowship beyond the classroom. Bishan Sunday School visited Bird Paradise, where the children bonded through games and interactive activities, and also enjoyed seeing the many amazing birds God has created, experiencing the beauty of nature and creation in joy.

Geylang Sunday School brought the children bowling, an activity many were trying for the first time. The children were excited and fully engaged, taking part in friendly matches filled with laughter and encouragement. The day was a joyful time of connection and shared experience. These outings were more than just recreational trips, they were intentional opportunities for children to know one another and build relationships. We also pray that these friendships within the church will continue to support them as they grow, so they may mature together in Christ.
